ABOUT

I have saturated half-year experience with programming web-applications. I want to become a strong developer in the shortest time. In this way I'm spending a lot of time for self-education and trying to be always in progress. In addition, I can easily and with joy become a part of the team.

PORTFOLIOS

SK WEAR ONLINE

There are the internet shop of swiming underwear for Client from Sochi. We have a 3 people team, who are producing that web-application. Now this project in progress...

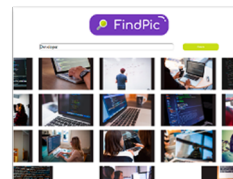

<http://bit.ly/2tgKgh8>

GO IT Landing Page

The client asked to make a Landing Page in 2 days. We did it well. My duty, like a Team-Lead was a controlling my team to be on time with each of parts. We used mobile-first approach.

<http://bit.ly/2WYPCuZ>

FindPic

Client asked to create little web-app with possibilities to search pictures and save them to favorite. I have produced it with using HTML/CSS, Vanilla JS.

<http://bit.ly/2GmVU2A>

Coolmart

There are many-paged online shop of water purifiers from South Korea. It based with PrestaShop CMS, used HTML, CSS, Vanilla JS for combining the website.
